

**WORK-LAB**  
Shining Minds at Play

**HELLO GENIUS WORK-LAB** is an engaging, hands-on program crafted for budding performers, creative explorers, and future leaders. Whether you're aiming to shine in film, OTT, and television, or seeking growth in education, self-expression, or leadership, this immersive experience offers a transformative and holistic journey. Rooted in the award-winning ALB Method, our intensive and results-oriented sessions are designed to help participants unlock, explore and embody their hidden potential.

## HOW IT WORKS

*“Fiction, poetry, and drama cleanse the doors of perception.”*

At HELLO GENIUS WORK-LAB, our ALB Drama-Based Learning isn't just about teaching — it's about reaching. Through ALB Drama Altucation, we spark cognitive, social, emotional, and physical growth, nurturing skills that ripple through every subject and every stage of life. Our therapeutic approach taps into multiple intelligences and diverse learning styles, creating a multi-sensory, immersive experience where mind, body, soul, sound, and voice align — deepening both comprehension and retention. Because when learning feels like play, growth becomes natural.

## WORK-LAB DEVICE

7% Words — The Power of Precision  
38% Voice Culture — The Symphony of Sound  
55% Body Culture — The Language of Presence

## HOW WE APPROACH

*It's not random — it's designed.*

ALB activates: Reason | Will | Imagination | Memory | Intuition | Perception

Through: Seeing + Listening + Doing + Experiencing × Repetition = Beliefs

And those beliefs evolve into your identity:

Beliefs + Behavior × Repetition = Habits

This is the ALB Path: from awareness to mastery — from knowing to being.

Brain Health & Development

Emotional Intelligence

ALB Clowning

Resilience & Behaviour

Speech & Dialogue

Observation & Imagination

ALB Storytelling
